

Worland Contractor's Board
August 27, 2015

The Worland Contractor's Board met in regular session at Worland City Hall at 5:03 p.m. Board members in attendance were Chairman Mike Montoya, Mark Decker, Josh Craft and Joe Sterling. Also in attendance was Advisor Ron Vanderpool, Laure Mitchell & Building Official Nick Kruger. Members Jason Mocko, & Jeremy Carver were absent.

Chairman Mike Montoya brought the meeting to order and asked for a motion to approve the July 23, 2015 minutes.

Motion: To approve the minutes of the July 23, 2015 meeting.

By: Joe Sterling.

Second by: Mark Decker.

Vote: Unanimous. 4-0

Under Old Business Advisor Ron Vanderpool asked about the Board's intention to state their position on the more stringent requirements for General Contractor License. Chairman Montoya stated he had talked to the mayor and explained why the Board has not been to a work session due to Matt Goncalves' resignation as Chairman and the Board's having to regroup to present their opinions. Advisor Vanderpool introduced Building Official Kruger to the Board.

Also under Old Business the ICC Changes were brought up and Joe Sterling announced that he had gone over all the changes and reported he couldn't find any problems with the changes. Advisor Vanderpool agreed but said the Board still needs to review some of the changes and put the amendments in an Ordinance before the end of the year or we will be forced to accept everything the State has agreed to. Advisor Vanderpool & Building Official Kruger will work on the Ordinance and present it to the Board for approval.

There was no member business so Advisor Vanderpool took the floor and reminded the Board that 3 hours are given to any contractor that joins the International Code Council and introduced the idea of earning an hour per Contractor's Board meeting on codes to help fulfill the 6 hour continuous education requirement for the year. The Board agreed that would be an excellent idea and Nick and Ron will put together an e-mail and send it to all current contractors.

There being no further business, the meeting adjourned at 5:23 p.m. The next Board of Contractors meeting will be September 10, 2015 at 5:00 p.m.

Mike Montoya III, Chairman
